QUICK & EASY
INSTALLATION

Echon extrudes the highest quality matte-finished profiles, that match Echon Trimboards and Sheets. Use Echon PVC mouldings anywhere and everywhere to spice up any setting with profound detail and elegance.

STAY DRY, STAY FRESH

Echon PVC mouldings are totally moisture resistant. The interior and exterior mouldings won't pull moisture from the ground or any other surface, which makes it perfect for humid areas and areas with a frequent rainstorm.

STAY SAFE FROM FIRE HAZARDS

With flame-retardant properties, ECHON PVC mouldings give you more than protection and peace of mind — they make your home the landmark of the neighborhood.

IMPROVISE, CUSTOMIZE

PVC can be easily thermoformed, which allows it to be smoothly curved for round windows or arches. Echon PVC mouldings can be used for specific Interior & Exterior designs, and even customized for a perfect fit that complements the features of the home.

PORCH CEILING PANELS

PORCH CEILING PANELS

Why not add visual interest to your otherwise plain exterior porch ceiling when you can? Go for a warm country feel or a cool modern look – Echon’s beaded and laminated products are beautiful and low maintenance.

MATTE FINISH

Glossy sheets? Not with Echon. Our experience in extrusion allows us to offer a beadboard that has a matte finish, which allows paint to adhere to it easily.

AESTHETICS

It looks so real, no one can imagine it's PVC. Be it the wood grained textured or the laminated beaded beadboard, it guaranteed to turn heads.

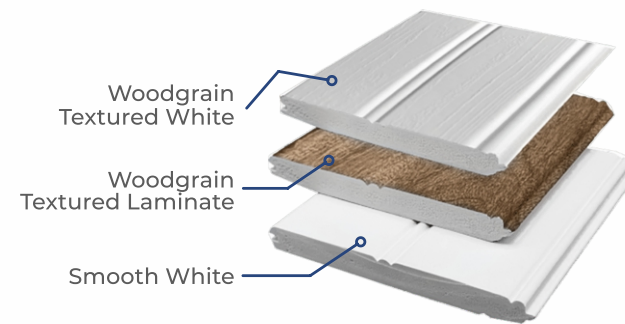

DIRT PROOF

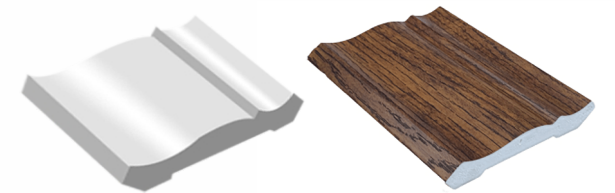

You don't have to deal with exposed cells that accumulate dirt and require regular cleaning or painting. Echon's beaded profiles are sealed from all sides, which blocks dirt from permanently sticking in the bead design.
